JONATHAN S. DELA PEÑA, PH. D
CESO VI
SCHOOLS DIVISION SUPERINTENDENT
DEPED DIVISION OFFICE
CAGAYAN DE ORO CITY

Dear Sir,

The CDO ICT Business Council is focused on its objective to bring talent development to senior high school students of Cagayan de Oro City taking up the academic and TVL (ICT) tracks. Our industry is growing and it is the right time for us to develop new talents and provide opportunities for those who may find our industry interesting and engaging.

With DICT and DepEd as our partners, our organization was able to start this school year's SHS immersion program with scheduled public schools last December 2018. The first batch was considered a success and we are proceeding with the next group as scheduled.

The private schools offering the SHS ICT track, on the other hand, need support in the same program as well. It has always been part of the strategy to include them in our efforts to increase the talent pool for our industry.

With this, the ICT Council and DICT would like to request for a meeting with them on **January 31, 2018 at DICT Skills Training and Internship Center, Divisoria from 9AM-12PM**. We expect the private school principals or their SHS coordinators to join us in this discussion so we can set expectations and iron out the things to make this arrangement work for all of us.

We hope for your full support on this endeavor as we strive to bring work opportunities not just for these students who have the capability to land in college to reach their full potential and their dreams, but also for those who can only do up to senior high yet aspire to reach the stars.

Thank you so much for your time and consideration. Looking forward to a fruitful partnership with DepEd CDO.

Sincerely,

JONATHAN ARMIN ADOLFO
Executive Director
CDO ICT Business Council Inc.
