Executive Director
Local School Board
Cagayan de Oro City

Greetings:

The City Government is now laying the groundwork for the mass vaccination of Kagay-anons against COVID 19. Among the more difficult tasks in this regard is identifying sectors that must be prioritized due to limited government resources.

To do this, we need an updated and reliable database of Cagayan de Oro City residents. This is necessary inasmuch as the forthcoming COVID 19 vaccines would be covered by strict protocols, including but not limited to, access, availability, and allocation. Frontline personnel of basic/higher education institutions/agencies, should be included in this list.

The City IATF has created a unique website portal <https://services.cagayandeoro.gov.ph/vaccprereg> where persons identified as priority for vaccination may pre-register for inclusion in the said list.

In line with this, we would like to request your Office's assistance in advising aforesaid frontline personnel, to access and register at the said online portal. For more information, please contact Ms. Marga M. Reyes thru 09174939743

We would appreciate your Office's expeditious accommodation of this request.

Thank you.

Very truly yours,

DR. WILLIAM D. BERNARDO
