ROY ANGELO E. GAZO, PhD, CESO V
Schools Division Superintendent
Division Of Cagayan de Oro
Cagayan de Oro City

Dear Sir,

Studies have shown that individuals are more likely to listen to and believe information provided by their peers. Typically, peers exert influence over their peers regarding what is right and wrong and what is acceptable and not, especially when it comes to sensitive topics such as sexuality, reproductive health, and relationships. With this, the Community Improvement Division and Oro Integrated Cooperative (OIC) will conduct the **Peer Educators' Training on January 15-17, 2025 at the Commission on Population and Development -X.**

The training aims to build the capacity of POPDEV CLUB Leaders of OIC-adopted national high schools in delivering informal or organized educational activities aimed at developing their knowledge, attitudes, beliefs, and skills, enabling them to be responsible for and protect their own health, and becoming volunteers at their respective School-Based Teen Centers.

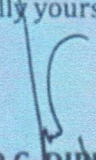

School	Number of Participants
Cagayan de Oro City High School	6 (3 male, 3 female)
Bonbon National High School	6 (3 male, 3 female)
Bugo National High School	6 (3 male, 3 female)
Kauswagan National High School	6 (3 male, 3 female)
Macabalan National High School	6 (3 male, 3 female)
Angeles Sisters National High School	6 (3 male, 3 female)

Thus, we would like to request the participation of PopDev Club students of the said national high school in the said training.

For any queries, please contact the Adolescent Health and Development Program Coordinator, Michael Abrogar at 09757199079.

Thank you and God bless!

Respectfully yours,

HONORIO G. DIPUTADO JR.
