Sir:

Warm greetings from the School of Education.

We will be beginning a new batch of Collaborative Action Researches (with KUMILOS and SERVICE LEARNING Frameworks) this semester. There are 10 teams from our pre-service program who are preparing to propose studies with the in-service teachers. Hopefully, these researches will help improve the teaching-learning processes and increase the culture of evidence-based interventions for all the teachers who will be involved in this endeavor.

We are inviting the 10 cooperating teachers recommended by Dr Joel D Potane (DepED CDO Division Research Coordinator) to come on January 26, 2018 at 7:30-9:30am for an ORIENTATION and INITIAL MEETING with the EDUC 55 Research students. This will be held in the XU SOE Learning Resource Center (LRC), 3/F Social Science Building, Xavier University Main Campus.

We come to your good office with seeking for your permission to allow the DepED teachers to come. We will keep you updated on the developments of these action researches

Thank you very much for your generous support and approval to this request.

God bless you!

Respectfully,
