Dear Dr. Dela Peña:

Warm greetings!

It pleases us to inform you that last year 2017, the Commission on Population Regional Office 10 had successfully revitalize the POPDEV (Population and Development) Clubs in the 11 National High Schools in Cagayan de Oro City namely:

- Iponan National High School
- Bulua National High School
- Bayabas National High School
- Kauswagan National High School
- Carmen National High School
- Angeles Sisters National High School
- Puntod National High School
- Macabalan National High School
- Lapasan National High School
- Macasandig National High School
- Cagayan de Oro National High School

We started with a meeting and program planning last October 5 and 11, 2017 with the cooperation and support of Dr. Mark Meso and Mr. Romeo B. Aclo and the City Improvement Division of Cagayan de Oro. All the schools remarkably participated and created an action plan for their respective schools for the month of October 2017 - February 2018.

Informing you further that last November 24-25, 2017, we conducted a POPDEV Club Summit 2017 for all the coordinators and officers of the said 11 schools where they enjoyed the activities and lectures prepared for them. They also pledged their commitment to continue serving as active POPDEV Club member.

This coming March 2018, an Awarding Ceremony will be conducted to recognize POPDEV Clubs who have done high impact POPDEV project or activity in their schools.
