JONATHAN S. DELA PEÑA, Ph. D., CESO VI
Schools Division Superintendent
Department of Education
Division of Cagayan de Oro City

Dear Dr. Dela Peña:

Warm greetings!

The Commission on Population Regional Office 10 took the initiative in revitalizing the POPDEV (Population and Development) Clubs in the 11 National High Schools in Cagayan de Oro City namely: Iponan NHS, Bulua NHS, Bayabas NHS, Kauswagan NHS, Carmen NHS, Angeles Sisters NHS, Puntod NHS, Macabalan NHS, Lapasan NHS, Macasandig NHS and Cagayan de Oro NHS.

We have started the meeting and program planning last October 5 and 11, 2017 with the cooperation and support of Dr. Mark Meso and Mr. Romeo B. Aclo and the City Improvement Division of Cagayan de Oro. All the schools have remarkably participated and created an action plan for their respective schools for the month of October 2017 - February 2018.

Also, last November 24-25, 2017, we conducted a POPDEV Club Summit 2017 for all the coordinators and officers of the 11 national high schools where they enjoyed the activities and lectures prepared for them. They also pledged their commitment to continue serving as active POPDEV Club member.

This coming March 2018, an Awarding Ceremony will be conducted to recognize the POPDEV Clubs who have done high impact POPDEV project or activity in their schools.

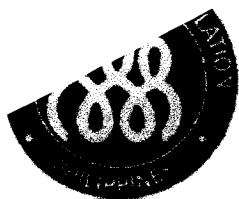

The specific details of the awarding are stipulated in the separate document attached. We are hoping that your support is as vibrant as the support we received last year.

Thank you and more power.

Sincerely,

JEREMIAS C. GUPIT, LLB
