REGIONAL MEMORANDUM  
No. 480, s. 2021

**REGIONAL MASSIVE OPEN ONLINE COURSES (MOOC)  
ON WASH IN SCHOOL (WINS) PROGRAM**

To: Schools Division Superintendents  
All others concerned

- Regarding COVID-19 response, the Office of the Undersecretary for Administration (OUA), through the Bureau of Learner Support Services – School Health Division (BLSS-SHD), is implementing a series of Massive Open Online Courses (MOOC) on Water, Sanitation, and Hygiene (WaSH) in Schools (WinS) as digital training solution to uniformly convey the program's messaging to target audiences.
- Based on DepEd Order No. 14, s. 2020, improvement of WaSH at the school level has become the requirement to meet the minimum health standards and ensure that proper hygiene will be practiced by the learners, parents, and DepEd personnel in preparation for the face-to-face engagements with the learners in the future.
- With the management of Regional Course Management Team under the supervision of the BLSS-SHD and GIZ personnel, the two self-paced WinS MOOC will be offered for school-level participants and for divisional personnel.
- The table below shows the specific MOOC and the target participants:

| WinS MOOC                                                                                                                                                                                                         | Target Participants                                                                                                                                                                                                                                                                     |

## How to Enroll in the Course

Welcome to ACCELERATING WINS, a Massive Open Online Course (MOOC) on WASH in Schools (WinS). This course is designed for members of the Division WinS TWG and division supervisor and/or health personnel tasked to manage the WinS program to organize, understand division-wide data, and plan for technical assistance to schools. Follow the step-by-step guide below to enroll.

To enroll in the course, you need to create an account in the DepEd's Professional Development LMS a Training System for Teaching and Non-Teaching Personnel.

### Step 1:

- Go to <https://training.deped.gov.ph/>
- To create an account, click "New Account".
- If you already have an account, you can go straight to Step no.4

### Step 2: Fill out the form.
