Re: Invitation to Teach Forward: Distance Learning for Teachers on Teaching Literacy, Engaging Parents, and Reigniting One's Passion webinar series.

Dear **SDS Limbaco-Reyes**,

Warm greetings from Teach for the Philippines!

Founded in 2012, TFP focuses its efforts on helping the Department of Education (DepEd) make excellent, inclusive, and relevant education accessible to all Filipino children. Through its core programs, the organization develops and supports teachers, and builds a network of partners with a passion for education reform, who can significantly improve student learning outcomes, and spark positive change in school communities across the country.

Teach for the Philippines was recently recognized by the National Educators Academy of the Philippines (NEAP) as an authorized learning service provider. That said, we are pleased to invite you and your public school colleagues to our Teach Forward: Distance Learning for Teachers on Teaching Literacy, Engaging Parents, and Reigniting One's Passion webinar series.

In line with this, we hope that you can help us share this training invitation to the school heads in your division. Additionally, we will also be reaching out to our placement school/s in your Division so that we may share this invite directly to their teachers.

Interested participants may sign up for our training sessions at <https://bit.ly/TFPTeachForwardMay2022>. Note that we have limited slots for each schedule, please make sure you sign up soon to receive the training materials right away.
