Greetings from the Philippine Commission on Women (PCW)!

PCW's National GAD Resource Program's (NGRP) vision to create an accessible, innovative and informative platform to increase awareness and knowledge of policymakers, public officers and gender trainers on gender and development mainstreaming supports the conduct of the 2022 GAD Webinar Series. Through this, PCW strategically addresses the demand for technical assistance (TA) of the requesting government agencies. This is also an alternative modality to the conduct of face-to-face TA as a way to observe health protocols during the COVID-19 pandemic.

Building on the success of the GAD Webinar Series in 2020 and 2021 which have capacitated a total of 6,774 participants, the PCW is now on its 3rd year of offering the GAD Webinar series to various government agencies and the local government units. This series of online learning sessions hopes to reach more duty bearers who will avail and complete the eight (8) GAD modules for the period February to November, 2022.

The webinar is open to all the members of the GAD Focal Point System of the Executive Departments, National Line Agencies (NGAs), Bureaus, Attached Agencies, and Government Owned and/or Controlled Corporations (GOCCs), Legislative, Judiciary Branches, Constitutional Bodies, and the State Universities and Colleges (SUCs), Local Government Units, Water Districts, Civil Society Organizations, and Private Institutions.

As our partner in gender mainstreaming at the regional and local levels, we are pleased to invite the member agencies of Regional GAD Committees (RGADCs) to the fourth GAD Webinar for 2022 of PCW, titled, "In-Depth Orientation on Gender Mainstreaming and Evaluation Framework (GMEF)", scheduled on 23 June 2022, from 8:20 AM to 4:40 PM. This learning session aims to influence public servants to support gender equality and women's empowerment by discussing Gender Mainstreaming and Evaluation Framework (GMEF) as a crucial element in gender mainstreaming. It also intends to enhance appreciation of participants on GMEF as a tool to measure the extent of gender mainstreaming efforts of organizations, both in National Government Agencies (NGAs) and Local Government Units (LGUs). The session will discuss the four entry points of Gender Mainstreaming in GMEF: Policies, People, Enabling Mechanisms, and Programs/ Activities/ Projects (PAPs). It will also discuss the benefits of utilizing the GMEF as a gender analysis tool, and the best practices of agencies that administered the GMEF for the participants to appreciate and replicate.

Please be advised that the registration link will open on June 9, 2022 (Thursday) at 2:00 PM. Registration will be accepted on a first-come, first-served basis and will close once 1,000 registrants have been reached. Please note that there is no limit on the number of participants per agency/institution. Kindly register through this Google Form link: bit.ly/2022GADWebinar4Reg.
