DR. ROY ANGELO E. GAZO, CESO V
Schools Division Superintendent
Division of Cagayan de Oro City

Dear Mr. Gazo,

Isang Makakalikasang Pagbati!

Republic Act 9003 otherwise known as Ecological Solid Waste Management Act of 2000, provides for an ecological solid waste management program, creates the necessary institutional mechanisms and incentives, declares certain acts prohibited and provides penalties for violation. In lieu with this act, the City Government of Cagayan de Oro is committed to implement this Act not just because it is legally required, but also because we believe it is the responsible way to protect our environment.

In order to implement the Waste Segregation Program in schools in accordance with the requirements of RA 9003 Article 2, Section 21 states that waste segregation must be done primarily at the source which includes residential, institutional, industrial, commercial, and agricultural sources. Additionally, Article V Section 12 of City Ordinance no. 13378-2018, also known as the Integrated Ecological Solid Waste Management Ordinance of Cagayan de Oro, mandates that educational institutions, offices of national government agencies, and private businesses develop an ecological waste management plan that includes segregation at source and provision s for materials recovery facilities.

In line with this, CLENR Office humbly request the attendance of ***all public (both elementary and high school) school-based coordinator on Solid waste Management including your DepEd SWM focal personnel*** in the upcoming ***Training and Workshop on SWM Marine Litter Kit*** on ***June 24, 2023 (Saturday) from 8:00AM to 5:00PM at the 2nd Floor , VIP Hotel, this city.***

Should you have any concerns, please do not hesitate to reach out ***Mr. August Paul M. Bacarrisas*** with Contact No. ***09322805130*** or you may email us through swmclenro.cdo@gmail.com.

Thank you for your continued efforts and dedication to this project. We look forward to receiving your update and collaborating to create a sustainable and environmentally responsible barangay.

Your Sincerely,

ENGR. ARMEN A. CUENCA, MPA, EnP
CGDH II- CLENR Officer
