RE: **MENTAL HEALTH TRAINING, EARLY DETECTION, AND EMERGENCY INTERVENTION**

Dear **SDS Gazo**,

I hope this letter finds you in great spirits!

I am writing to you today to inform you about the upcoming **Mental Health Training, Early Detection, and Emergency Intervention** that I believe would be of great benefit to our school heads, school mental health focal persons, and parents. The training is being offered by City Social Welfare and Development Department – Psychosocial Division in partnership with the Local School Board. It will cover the following topics: Early Detection, Prevention Programs, and Early Intervention.

I believe that this training would be of much value as it would help us to better understand the signs and symptoms of mental health problems in students, as well as how to intervene effectively in a crisis situation.

The specific details of the training are listed below:

1. The first session will be held on **July 27, 2023 at 8:00 am to 5:00 pm** at the **City Tourism Hall** with 270 attendees which comprise of **all school heads, and 1 school mental health focal person per school**.
2. The second and last session will be on **July 31, 2023 at 8:00 am to 5:00 pm** at the **City Tourism Hall** with 270 attendees which comprise of **all school heads, 1 SGC representative per school, and Division Federated PTA Officers**.
