Attention: Dr. Mark Meso
Ms. Amor Fajardo, RN

Dear Superintendent Gazo

Warm greetings!

The USAID ReachHealth is a five-year project that aims to strengthen and improve access to critical health services for Filipino families. The project aids Philippine communities to reduce unmet needs for family planning services and decrease teen pregnancy.

One of the strategies being taken to contribute to the goal of decreasing teenage pregnancy in the Philippines is the Comprehensive Sexuality Education and Adolescent Reproductive Health Convergence (CSE-ARH) which aims to strengthen the linkage of learners to adolescent sexual and reproductive health services. The CSE-ARH Convergence activities which started since April 2021 became a venue for institutional collaboration to fully support the Department of Education (DepEd) to achieve its implementation of the policy issuance D.O. #31, series of 2018, titled, "Policy Guidelines on the Implementation of the Comprehensive Sexuality Education."

To further strengthen these efforts, ReachHealth will facilitate a one day Pause and Reflect session and Rapid HEEADSSS (psycho-social risk assessment tool) trial processing on August 14, 2023, from 8:00 to 5:00 pm at Deluxe Hotel.

In this regard, may we request your good office to allow Dr. Mark Meso and the ARH focal persons Amor Fajardo, Pacili Yanez, and Marie Nikki Jo Valmorla, and one guidance counselor/designate from each of the twelve pilot schools to join the said activity. Attached is the list of CSE-ARH pilot high schools in Cagayan de Oro City.

Please feel free to reach us through our City Technical Officer, Ms. Amelia Luz Agbayani, for any concerns and questions you may have. She can be contacted through her mobile no. 0956 770 5871 and email agabayani@ph-reachhealth-rti.org.

We look forward to your favorable response to this request.

Very truly yours,
