Schools Division Superintendent

DepEd Schools Division of Cagayan de Oro

Mastersons Avenue, Cagayan de Oro City

Attention: **Jairus John M. Gochuco**

Division Youth Formation Coordinator

Dear **Dr. Roy Angelo E. Gazo**,

Greetings!

The **Kaabag sa Kalambuan pinaagi sa Kabtangan sa Katilingban (KKKK)**, a project of Xavier Science Foundation and working with **ChildFund Philippines**, have implemented **ASRH program (Adolescence Sexual Reproductive Health)** since 2020, in collaboration with DepEd, Community Improvement Division, PopCom R10 and other members of the Interagency Service Delivery Network (ISDN). The program aims for young adolescent's and youth's successful transition into responsible adults, empowered to make decisions about sexual and reproductive health and well-being. We hope to achieve this through health education promotion and behavior change for adolescents, series of training and seminars for youth to further enhance their social, emotional and life skills (SEL). The Project also supported the establishment of school-based teen centers of our partner barangays, most hinterland areas, through capacity building sessions of peer educators and mentors, and provision of learning materials.

For this Fiscal Year 2023-2024, we will start the series of capacity building sessions with a peer educators training for new cohorts or new sets of peer educators, who will eventually lead the ASRH activities in their respective schools. With this, we would like to request the participation of **4 students and 1 ASRH coordinator/Teen Center Moderator** per school to the **ASRH Peer Educators' Training and Communications and Advocacy Workshop on August 22-24, 2023 at the Xavier University Training Facility, Xavier University Macasandig Campus, Cagayan de Oro City**. The following are the schools covered by the program.

1. Dansolihon National High School
2. Iba Integrated School, Dansolihon
3. Balungkot Integrated School, Dansolihon
4. Mambuaya National High School
5. Bayanga National High School
6. Midkiwan Integrated School, Bayanga
7. Tumpagon National High School
8. Pagatpat National High School

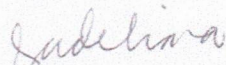

The Project will cover the cost of the accommodation, meals, venue and materials during the training. Transportation will also be provided (School to venue and back). In adherence to XSF Child Safeguarding Policy of 2021, it is our accountability to ensure that child safeguarding measures will be in place for all participating students such as having adult companions in any activities including travel; securing the parent's consent, assent and photo release forms prior to the activity, child friendly contextualized materials for the training. Project staff will also stay at the venue throughout the training and will serve as house parents.

Kindly contact me at 09163910869 or 4kproject4037@gmail.com for confirmations and/or clarifications.

Thank you very much and looking forward to a very productive collaboration.

Thank you very much and God bless!

Respectfully,

Sheila A. de Lima
Program Manager
