MONTHLY LEARNING INTERVENTIONS AND ASSESSMENT ACTIVITIES
IN ALTERNATIVE LEARNING SYSTEM (ALS)
FOR THE SCHOOL YEAR 2023-2024

To: Schools Division Superintendents
Assistant Schools Division Superintendents
All Others Concerned

1. Consistent with **DepEd Order No. 022, series 2023**, or the **Implementing Guidelines on the School Calendar and Activities for the School Year 2023-2024**, this Office strongly enjoins the field to conform with the monthly learning interventions and assessment activities of Alternative Learning System (ALS) A&E Programs (i.e., elementary, junior high school).
2. This implementation highlights the use of the ALS Assessment Form 1 (Individual Learning Agreement) and ALS Assessment Form 2 (Monitoring of Learning Progress), as well as the conduct of the quarterly portfolio presentation assessment, to track the performances of ALS learners consistently.
3. The learning interventions and assessment activities for the school year are presented in the attachment while the specific adjustments can be made by the ALS teachers in consultation with the divisional ALS focal persons and Education Program Specialists for ALS (EPSA).
4. The Community ALS Implementers (CAIs) and Learning Facilitators (LFs) in public and private institutions, including formal schools implementing the Balik Paaralan para sa Out of School Adults (BPOSA), ALS-School Based Management (SBM), and ALS Education and Skills Training (EST), are strongly advised to follow the same schedule.
5. For ALS Senior High School, its implementation is consistent with the schedule of the formal schools where it is offered.
6. One feature to highlight this school year is the delivery of the ALS Life Skills modules in two continuous months, specifically from September to October.

7. For the Schools Division Offices (SDOs) of Cagayan de Oro City and Iligan City as pilot implementers of the USAID's Opportunity 2.0 programs, one district shall implement the Be Your Own Boss (BYOB) modules and another one district for the Work-Based Learning (WBL) modules, in lieu of the ALS Life Skills modules. The purpose of this initiative is to deliver the various program modules simultaneously and seamlessly prior to the learning interventions on the six learning strands of the ALS K to 12 Basic Education Curriculum.
8. The SDOs shall no longer conduct co- and extra-curricular activities during the final reading and writing assessments along with the final presentation portfolio assessment (PPA) validation and revalida activities.
9. The ALS implementers shall post a monthly plan of instructional activities in a conspicuous area in all Community Learning Centers (CLCs) to guide their learners.
10. This Office directs the immediate and wide dissemination of this Memorandum.
