Dear Limbaco - Reyes,

Greetings from Save the Children & Phil. Island Kids Int'l. Foundation Inc., (PIKIFI)!

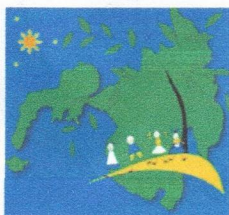

We do whatever it takes for children – every day and in times of crisis – transforming their lives and the future we share.

Save the Children is an organization fighting for children's right to a future. We believe that every child deserves a future. In the Philippines and around the world, we work every day to give children a healthy start in life, the opportunity to learn and protection from harm. When crisis strikes, and children are most vulnerable, we are always among the first to respond and the last to leave. We ensure children's unique needs are met and their voices are heard. We deliver lasting results for millions of children, including those hardest to reach.

The organization is currently implementing the **SaferKidsPH** project which is “**Enhancing Child Protection System to Keep Filipino Children Safe Online Program**”. This is a 5-year project, and for the first 2 years, we are partnering with 6 barangays, 6 schools, and local service providers and law enforcement in Iligan and Cagayan de Oro City. In which **Phil. Island Kids Int'l. Foundation Inc., (PIKIFI)** as Non-Government Organization is the local implementors.

As a strategy to attain an enhanced child protection system in partner communities, we have developed 2 - day set of trainings and seminar workshop to address the gaps and to capacitate our partners further. In this regard, we would like to invite your Barangay BCPC composition to attend this seminar in the following topics to be discussed by the experts resource person from DSWD, DILG, City Budget and City Accounting Office.

1. Reporting and referral mechanism
2. Children's plan by DSWD (1%) BCPC budget programs related to children
3. **Re-orientation of BCPC** to include Roles and Responsibilities of BCPC
4. **Child Friendly Local Governance Audit (CFLGA)**
