Dear **Dr. Gazo**:

Greetings from the Department of Information and Communications Technology-Region 10!

DICT, as the implementing body of RA 10929, is committed to fulfilling all the provisions stated therein through the DICT Free Wi-Fi for All Program. Our office remains steadfast in its dedication to improving the lives of the people, especially students and educators in our region, by continuing our mandate to provide seamless connectivity in Public Elementary Schools and High Schools.

With this in mind, DICT Region 10 is delighted to inform you that we have identified public elementary and high schools in the division of Cagayan de Oro City for which our office will install Free WiFi Hotspots under the Procurement of Internet Connectivity Service in Public Places (PICS-PP) and Internet Subscription Based Area (ISBA) Strategy.

As part of the implementation process, DICT Region 10 representatives will conduct a site survey to inform the respective school heads about the project's objectives, identify suitable locations for Access Point Installation, and outline the responsibilities of the project beneficiaries. To ensure clarity and agreement on the project's terms, a conformity letter will be provided to each school head as an official document, seeking their formal acknowledgment and agreement to participate.
