INVITATION TO JOIN THE INTERNATIONAL CONFERENCE ON RESEARCH
INNOVATION, AND INVESTMENT (ICRII) 2024

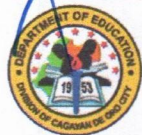

The University of Science and Technology of Southern Philippines is inviting the Department of Education Division of Cagayan de Oro City to join the **International Conference on Research Innovation, and investment (ICRII)** this coming September 16-18, 2024 at Limketkai Luxe Hotel in Cagayan de Oro with its theme, "Transformative Global Solutions for Sustainable Development Bridging Research, Innovation, and Investment".

ICRII showcases advancements in research and innovation across various disciplines. It serves as a platform for research scientist, industry leaders and government professionals to discuss and present their latest scientific inquiries. Participants will have opportunities to explore avenues for utilizing and commercializing research outputs, attract both local and international investors interested in research-based business potentials and forge valuable research collaborations with institutions worldwide.

Participation in this activity shall be on a voluntary basis as such, participants themselves shall shoulder any registration fees, and travel/incidental expenses. Further, their participation shall be subject to the non-disruption of classes policy as stipulated in DepEd order No.9 s. 2005 titled "Institutes measures to increase Engaged Time-on-Task and Ensures compliance therewith; Section 3 of Republic Act 5546 (Policy on Contributions), and DepEd order No. 66 2. 2017 (Policy on Off-Campus activities).

Attached is the copy of the communication for specific details.

Schools Division Superintendent, DepEd
Division of Cagayan de Oro City

Sir:

The University of Science and Technology of Southern Philippines (USTP) is pleased to announce the **International Conference on Research, Innovation, and Investment (ICRII) 2024**, taking place from **September 16-18, 2024**, at the Limketkai Luxe Hotel in Cagayan de Oro City, Philippines. The conference centers around the theme, "Transformative Global Solutions for Sustainable Development: Bridging Research, Innovation, and Investment."

ICRII showcases advancements in research and innovation across various disciplines. It serves as a platform for research scientists, industry leaders, and government professionals to discuss and present their latest scientific inquiries. Participants will have opportunities to explore avenues for utilizing and commercializing research outputs, attract both local and international investors interested in research-based business potentials, and forge valuable research collaborations with institutions worldwide.

Corollary to this, we cordially invite you and your faculty to join the Conference and take advantage of the following benefits:

- Obtain feedback on an early version of the work
- Gain insights on new trends, discoveries, and innovations from research scientists and innovators
- Publish scholarly papers in the Mindanao Journal of Science and Technology (MJST), USTP's scientific journal indexed in Scopus and Clarivate Analytics
- Increase R&D networks and other academic collaborations with other stakeholders (industry, government agency, other academic institutions for possible research collaboration) and ink Memorandum of Agreement/Understanding
- Engage in high-level dialogues, propose and refine ideas of research, innovation and entrepreneurship prior to the event that may result to MOA signing at the conference.

The Conference activities and interactives include:

Activities

Day 1 - Research Conference
Day 2 - Innovation and Investment Forum
Day 3 - Scientific Lectures and Pitching Competition
Day 4 - Post-Conference Learning Tour (Optional)

Interactives

Networking Night
Live Research Demonstration
Reverse Mentoring
