1. This Office, through the Policy, Planning, and Research Division (PPRD), will conduct the **Capacity Building and Training Rollout for the Program Management Information System (PMIS) School-Level Module** in two clusters.
2. The activity aims to
 - a. equip the participants with a comprehensive understanding of the Program Management Information System (PMIS) School-Level Module to improve data management and reporting at the school level;
 - b. train the school administrators and staff on the efficient use of the PMIS, ensuring that all functions and features are maximized to support school operations and decision-making;
 - c. provide tools and insights for better planning, monitoring, and evaluation of school programs, projects, and activities using the PMIS; and
 - d. enable participants to seamlessly integrate the PMIS School-Level Module into existing school management systems, ensuring compatibility with DepEd's broader information management frameworks.
3. The expected participants from the Regional Office (RO), Schools Division Offices (SDOs), and each school are listed below:
