DR. ARTURO B. BAYOCOT, CESO III

Regional Director

Department of Education – Region X

Cagayan de Oro City

Dear Dr. Bayocot,

Greetings!

The Department of Science and Technology – Science Education Institute (DOST-SEI) is pleased to have you as our partner for this year's conduct of Climate Science Youth Camp (CSYC). The CSYC, done in partnership with the University of the Philippines – Marine Science Institute (UP-MSI) and the DOST-Philippine Atmospheric Geophysical and Astronomical Services Administration (PAGASA), is designed to provide deep exposure to and experiential learning in meteorology and oceanography among high school students and teachers through the real-life work of marine scientists, geologists and meteorologists, with the hope to encourage the youth to pursue significant careers in science and technology.

Anchored on the theme **“Shifting Currents, Changing Climate: Driving Awareness to Action,”** this year's CSYC highlights the need to power up initiatives that foster awareness of the effects of climate change and push people to act – forwarding that climate change mitigation and adaptation entail action from all members of the community. It focuses on the need to empower everyone, especially the youth, with knowledge and tools necessary to become climate change advocates in their communities, creating lasting impact and inspiring positive change.

With this, we would like to request your support in this endeavor through a Regional Memorandum enjoining identified public high schools from Region X. We hope to cater to 40 high school students (Grade 8 or 9) and 20 science teachers from the following schools:

School	Address	Region
1. Yumbing National High School	Mambajao, Camiguin	X
2. Camiguin National High School	Catarman, Camiguin	X
3. Mambajao National High School	Mambajao, Camiguin	X
4. Bonbon National High School	Catarman, Camiguin	X
5. Misamis Oriental General Comprehensive High School	MOGCHS, Cagayan de Oro City, Misamis Oriental	X
6. Gusa Regional Science High School	Gusa, Cagayan de Oro City	X
7. Cagayan de Oro National High School	Nazareth, Cagayan de Oro City	X
8. Alubijid National Comprehensive High School	Alubijid, Misamis Oriental	X
9. Manolo Fortich National High School	Bukidnon	X

Service Excellence Innovation

10. Cogon National High School	El Salvador City	X
11. Gingoog City Comprehensive National High School	Gingoog City	X
12. Iligan City National High School	Iligan City	X
13. Iligan City East National High School	Iligan City	X
14. Lanao del Norte Comprehensive NHS	Lanao del Norte	X
15. Bukidnon National High School	Malaybalay	X
16. Clarin National High School	Misamis Occidental	X
17. Misamis Occidental National High School	Oroquieta City	X
18. Ozamiz City School of Arts and Trade	Ozamiz City	X
19. Tangub City National High School	Tangub City	X
20. Valencia National High School	Valencia City	X

Each participating school shall send 1 male and 1 female grade eight (8) or nine (9) students and one (1) accompanying science teacher.

The DOST-SEI will cover all expenses relative to the conduct of the CSYC, such as transportation, accommodation, meals, and travel insurance of all participants. Likewise, each participant will be receiving a Camp Kit containing event shirt, cap, bag, tumbler, rash guard, and hygiene kit.

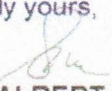

In light of this, we would also like to request your Office to send the attached invitation letters to the abovementioned schools and inform the school principal to accomplish the attached confirmation slip. We would appreciate receiving the signed confirmation slip on or before April 26, 2024 via email at sciencecamp.sei@gmail.com

Furthermore, we would like to invite you to give a Message during the CSYC Opening Ceremony on May 01, 2024, 09:00 AM at the Nouveau Resort, Mahinog, Camiguin. Attached is the copy of Opening Program for your reference.

Should you have inquiries about the camp, you may reach Ms. Marren Joy Belgado-Aquino via e-mail at sciencecamp.sei@gmail.com or mobile phone numbers at (Smart – (0969) 6102656 / Globe – (0966) 8861714).

Thank you and we look forward to your valuable support to this year's Climate Science Youth Camp.

Very truly yours,

ENGR. ALBERT G. MARIÑO
Director III and Officer-in-charge,
Office of the Director

2024 CLIMATE SCIENCE YOUTH CAMP
***"Shifting currents, changing climate:
driving awareness to action"***
