Greetings of peace!

Multiply-Ed (X-Ed) is a youth-led, multi-sectoral, and multi-level accountability initiation on education in the time of COVID-19. It is a project of the Center for Youth Advocacy and Networking (CYAN), Government Watch (G- Watch), and the Student Council Alliance of the Philippines (SCAP). It aims to improve transparency, participation, and accountability in education governance, particularly the implementation of learning continuity plans for Senior High Schools and the transition to face-to- face classes post-COVID.

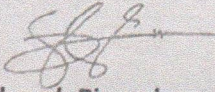

Furthermore, **Multiply-Ed Philippines** will be having its **Briefing Orientation and Seminar (BOS)** for the school level partners and beneficiaries from 1st of June to 3rd of June and **Youth Assembly for Mental Health** for youth and students from 4th of June to 5th of June 2024 both in **Davao City**. In line with this, we invite ma'am Jean Joson, RN to be one of the panelists on the "Youth Assembly for Mental Health", the allotted time to speak is around 2:15PM-3:00PM of June 4, 2024. The expected topic is "**Government/Department's programs and initiatives on mental Health**".

Moreover, we understand the difficulty of a hectic travel and speaking to a large audience at the same day, therefore we will be allotting 1 night of accommodation for the speakers before the day of the event. Therefore, we advise that speakers may travel a day before their expected talk.

Please see the attached program flow for your perusal. Should you have any questions or concerns, please do not hesitate to contact us through 09619076487/09666398840 or isnihayah@cyanpilipinas.org.
