DIVISION MEMORANDUM

No. 528 s.2024

IMPLEMENTATION OF THE WASTE SEGREGATION IN SCHOOLS

TO: Assistant Schools Division Superintendent
Public Schools District Supervisors
All Elementary and Secondary Public & Private School Heads and Principals
All Solid Waste Management Coordinator
All Others Concerned

1. Article V Section 12 of the City Ordinance No. 13378-2018, also known as the Integrated Ecological Solid Waste Management Ordinance in Cagayan de Oro City, mandates all educational institutions, offices of national government agencies and private businesses to develop an ecological waste management plan that includes segregation at source and provisions for materials recovery facility.

2. With this, the field is hereby directed to segregate all waste disposal in schools. The City Local Environment and Natural Resources Office (CLEANRO) implements the **"No Segregation, No Collection Policy"**. The ordinance prohibits the repeated disposal of unsegregated solid waste and the open burning of waste, including biodegradable. Further, repetitive disposal of mixed waste in all schools (both public and private) shall not be collected.

3. Immediate dissemination and compliance to this memorandum is required.

ROY ANGELO E. GAZO
Schools Division Superintendent

DR. ROY ANGELO E. GAZO, CESO V
Schools Division Superintendent
Division of Cagayan de Oro City

Dear **Dr. Gazo**,

Isang Makakalikasang Pagbati!

As part of our ongoing effort to promote a clean and healthy environment in keeping with our implementation of the 'No Segregation, No Collection' (NSNC) policy, we are pleased to inform you that waste segregation will be implemented during the upcoming Brigada Eskwela 2024.

Article 2 Section 21 of RA 9003 mandates that waste segregation are carried out primarily at the source, which can include residential, institutional, commercial, industrial, and agricultural sources, in order to execute the waste segregation program in schools in compliance with those requirements. In addition, educational institutions, offices of national government agencies, and private businesses are required to develop an ecological waste management plan that includes segregation at the source and provisions for materials recovery facilities under Article V, Section 12 of City Ordinance No. 13378-2018, also known as the Integrated Ecological Solid Waste Management Ordinance of Cagayan de Oro.

The ordinance prohibits the repeated disposal of unsegregated solid waste and the open burning of waste, including biodegradable. Biodegradable waste should therefore be added to your compost heap or pit. We believe that through these initiatives, we can significantly contribute to the school's efforts to maintain a clean and healthy environment while also empowering students to become responsible stewards of their surroundings. We would be delighted to discuss our implementation in more detail and collaborate closely with your esteemed schools to ensure the success of this program.

Please feel free to contact August Paul M. Bacarrisas, our school-based focal person for solid waste management, at 0932-280-5130 to schedule a meeting at your earliest convenience.

Thank you for your continuous support and dedication to environmental sustainability. We look forward to a fruitful collaboration during Brigada Eskwela 2024.

Sincerely,

ENGR. ARMEN A. CUENCA, MPA, EnP
