ROY ANGELO E. GAZO, PhD, CESO V
Schools Division Superintendent
Division Of Cagayan de Oro
Cagayan de Oro City

Dear Sir,

Studies have shown that individuals are more likely to listen to and believe information provided by their peers. Typically, peers exert influence over their peers regarding what is right and wrong and what is acceptable and not, especially when it comes to sensitive topics such as sexuality, reproductive health, and relationships. With this, the Community Improvement Division and First Community Cooperative (FICCO) will be conducting the **Peer Educators' Training on August 5 - 7, 2024 at IFI Bulua DCENT Center**. FICCO will shoulder meals, transportation, board and lodging for the participants.

The said training aims to build the capacity of POPDEV CLUB Leaders of FICCO adopted national high schools in delivering informal or organized educational activities aimed at developing the knowledge, attitudes, beliefs and skills of the adolescents and enabling them to be responsible for and protect their own health and become volunteers on their respective School-Based Teen Center.

School	Number of Participant
Indahag National High School	10 (5 males, 5 female)
Taglimao National High School	5 (2 males, 3 females)
Baikingon National High School	5 (2 males, 3 females)
FS-Catanico National High School	5 (2 males, 3 females)
Balubal National High School	10 (5 males, 5 female)

Thus, we would like to request the participation of PopDev Club students of the said national high school together with their PopDev Club Moderators on the said training.

For any queries, please contact the Adolescent Health and Development Program Coordinator, Michael Abrogar at 09757199079.

Thank you and God bless!

Respectfully yours,
