ROY ANGELO E. GAZO, PhD
School Division Superintendent
City Schools Division

Dear Dr. Gazo,

I hope this letter finds you well. I am writing to respectfully request permission to conduct the annual School-Based Teen Center (SBTC) Operators' Training, scheduled for August 22 - 23, 2024, from 8:00 am to 5:00 pm at Chali Resort and Conference Center, Cugman, Cagayan de Oro City. This initiative is a collaborative effort between the Community Improvement Division - Cagayan de Oro Teen Center, the Commission on Population and Development Region 10, and the Department of Education - Cagayan de Oro City Schools Division.

The primary objective of the training is to empower our Teen Center moderators with the skills and insights necessary to create and sustain dynamic teen centers within schools. These centers play a pivotal role in supporting our students' emotional and social development, providing them with a safe and nurturing environment to thrive.

The training's program will include interactive workshops and expert-led sessions covering essential topics related to youth development and center management. We are confident that the knowledge gained will greatly enhance that of the operators' ability to meet the diverse needs of our student population.

Furthermore, *we kindly request that a directive from your reputable office be made to retain in their designations, the trained school-based teen center operators. These include the Teen Center In-charge and or PopDev Club Moderators, Guidance Counselors/ Designates, NDEP Coordinator, and School Clinic In-Charge.* The operators' retention will ensure continuity and proper management of the teen centers' operations. Additionally, the directive will allow us to fully utilize the training that the operators have undergone unless resigned or transferred to another agency.

We sincerely hope for your support and approval to proceed with this valuable initiative. Your backing is crucial in enabling us to advance our shared mission of enriching the lives of the city's young people.

Enclosed with this letter are the school-based teen center operators - POPDEV Club Moderators and Guidance Counselors/ Designates that we would like to retain in their designations and are likewise invited to the upcoming SBTC Operators' Training.

Thank you very much for considering our request. We look forward to your positive response and the opportunity to make a sustainable difference in our school communities.

Warm regards,

HONORIO G. DIPUTADO JR.
Community Affairs Officer II
