Sir:

Greetings of Peace and Prosperity!

In consonance with the **Joint CHED and DepEd Memorandum Order No. 1, series of 2021** or the **Policies and Guidelines on the Deployment of Pre-Service Teachers for Field Study and Teaching Internship**, **Teacher Education Institutions** and their respective **Cooperating Schools** are expected to conduct a **Collaborative Classroom-based Action Research** which will pave way for the **production of evidence-based teaching materials, methods, and practices**, thereby improving the quality of education. This will provide avenue for a **strong research partnership between the academe (TEI) and industry (DepEd)** and allow students to **develop and use their knowledge, values, and skills in planning, designing, and implementing academic research**.

Xavier University-Ateneo de Cagayan School of Education, as an institution of higher learning and a leading teacher education institution in the country, **commits itself to the continuous provision of high-quality learning experiences in Action Research** using the new normal teaching and learning modalities, constantly nurtured by coaching and mentoring, and ensuring that the entire experience is consistent with the goals and aspirations of the present curriculum.

In **Research 1**, **pre-service teachers observe classes** to identify a problem for study, develop a proposal, and **design an intervention with their Cooperating Teachers**. In **Research 2**, they **implement the intervention**, analyze the results, and incorporate them into a final paper reviewed by experts. If the solution is deemed valid and reliable, it will be **shared with partner schools for adoption**.

To realize this, the **Xavier University – Ateneo de Cagayan entered into a Memorandum of Agreement with the Department of Education – Cagayan de Oro City Division** which is effective from the **S.Y. 2023-2024 to S.Y. 2025-2026**.

In this connection, **we would like to ask permission to allow our student researchers to conduct classroom observations in our identified Cooperating Schools namely: Cagayan de Oro National High School-Junior and Senior High School, South City Central School, West City Central School for the whole month of September 2024**. We have attached the signed Memorandum of Agreement and the list of the students to be assigned in each school for your reference.

Your contribution to the development of future educators is highly valued and appreciated. We believe that this collaboration will enrich the learning experiences of our pre-service teachers and contribute to the growth and development of your division as well.

Thank you for considering our request and we hope for a positive and productive collaboration with you.

Sir:

Greetings of Peace and Prosperity!

In consonance with the **Joint CHED and DepEd Memorandum Order No. 1, series of 2021** or the **Policies and Guidelines on the Deployment of Pre-Service Teachers for Field Study and Teaching Internship**, Teacher Education Institutions and their respective Cooperating Schools are mandated to ensure continuity in the **delivery and implementation of experiential learning courses** amidst a global health emergency by **providing flexible and innovative means feasible to the context and needs of the school, the teachers, and the students** while consistently adhering to the prevailing rules and regulations set forth by the relevant agencies.

Xavier University-Ateneo de Cagayan School of Education, as an institution of higher learning and a leading teacher education institution in the country, **commits itself to the continuous provision of high-quality learning experiences in Field Study 1 and 2** using the new normal teaching and learning modalities, constantly nurtured by coaching and mentoring, and ensuring that the entire experience is consistent with the goals and aspirations of the present curriculum.

In **Field Study 1**, pre-service teachers will **observe classes in your school** to learn effective teaching practices and classroom dynamics. This will **help them develop skills in classroom management, lesson planning, and understanding diverse student needs**. In **Field Study 2**, they will **conduct teaching demonstrations, applying what they have learned and receiving guidance and feedback from your experienced teachers** to refine their pedagogical skills.

To realize this, the **Xavier University – Ateneo de Cagayan** entered into a Memorandum of Agreement with the Department of Education – Cagayan de Oro City Division which is effective from the **S.Y. 2023-2024 to S.Y. 2025-2026**.

In this connection, **we would like to ask permission to allow our pre-service teachers to have their Field Studies 1 and 2 in our identified Cooperating Schools** namely: Cagayan de Oro National High School-Junior and Senior High School, Bulua National High School, Gusa Regional Science High School, South City Central School, West City Central School from **September to November, 2024**. We have attached the signed Memorandum of Agreement and the list of the students to be assigned in your school for your reference.
