Dearest Dr. Gazo:

Peace in Christ!

TULONG DUNONG is a course which aims at educating the Xavier University Junior High School Grade 10 students in a working awareness of the Church's social teachings and being present in the development of our youth in Cagayan de Oro.

The weekly tutoring in Public Elementary School (PES) aids as workshop for the seniors in this course. Hopefully, this will lead to the shared human development for both the Grade Ten students of XUJHS and the PES children. TD is XUJHS challenge to rejoin to the Church's appeal for tangible action in the direction of filled human development.

Through the Tulong Dunong program, the grade ten students will see authentic human interaction face to face, not simply as records or numerals in inhabitants' graphs or headlines in the media. What the students absorb in the classroom is given an actual social breadth, connecting textbook philosophies and social realism. It offers an occasion to transform idealism into action by creating actual real life test centers wherein economic concepts and social teachings of the Church can actually be put into exercise.

The TD program will not just be limited to the purpose of tutoring elementary students in English and Math subjects but would also be able to serve as an avenue for the identification of possible scholars for a Xavier - Ateneo Junior High School quality education.

We are re-proposing to schedule the tutorial only on a Tuesday, Wednesday, and Thursday from 1:30pm to 3:30 pm. We can only accommodate four schools from Tuesdays and Wednesday and two schools on Thursdays. Attached is the list of our target partners Public Elementary Schools (PES) in Cagayan de Oro City Division.

We are also inviting you to join us for the annual Tulong Dunong stakeholders meeting and MOA signing together with TD Coordinators and Principals from the eight adopted schools of our program. The signing will be held in our Audio Visual Room 1, on **September 20, 2024.** Registration will start at exactly 2:00 PM and the meeting by 2:30 PM. We are also requesting

your good office to send a memo to these schools (*please see attachment*) to ensure their attendance on the said meeting.

We would be very much willing to entertain questions regarding the program. Please contact us through this number 857-4471/857-4472/858-3116 local 3350. Please look for Mr. Anthony Ryan C. Manus (09177104799).
