Dear Sir:

Greetings!

As part of our mandate to “take the necessary measures to eradicate, prevent or cure all forms of animal diseases.” (Local Government Code, Section 489(b)(3)(v)), the City Veterinary Office plans to conduct a series of Information/Education Campaign (IEC) for the months of February and March 2024. The campaign aims to spread awareness on animal diseases such as Rabies, Bird Flu, and the African Swine Fever (ASF) virus, and we would like to launch it in public elementary schools (ES) throughout the City, and with **Grade 6 elementary students** as our intended audience.

Attached herewith is the schedule and venues for the conduct of our IEC.

We keep our communication lines open regarding this matter. Should you have any queries, please do not hesitate to contact **Dr. Rod Grayson V. Baylo** at mobile number **0917 777 2419**, or at landline number **857-2185**. You may also email us at **cityveterinarycdo@gmail.com**.

Thank you and More Power.

Truly yours,
