Dear Sir,

Studies have shown that individuals are more likely to listen to and believe information provided by their peers. Typically, peers exert influence over their peers regarding what is right and wrong and what is acceptable and not, especially when it comes to sensitive topics such as sexuality, reproductive health, and relationships. With this, the Community Improvement Division and Xavier Science Foundation – Kaabag sa Kalambuan pinaagi sa Kabtangan sa Katilingban (XSF-KKKK) will be conducting **Peer Educators' Training on September 12-14, 2024 at Cavadonga Center for Culture and Community, Macasandig, Cagayan de Oro City.** XSF-KKKK will shoulder meals, transportation, board, and lodging for the participants.

The said training aims to build the capacity of POPDEV CLUB Leaders of XSF-KKKK adopted national high school teen centers in delivering informal or organized educational activities aimed at developing the knowledge, attitudes, beliefs, and skills of the adolescents and enabling them to be responsible for and protect their health and become volunteers on their respective School-Based Teen Center.
