DIVISION MEMORANDUM

No. 706, s. 2024

ARTIFICIAL INTELLIGENCE AND DRONE TECHNOLOGY EXPOSITION

To: Assistant Schools Division Superintendent
Chiefs, CTD and SGOD
Curriculum and Teaching Personnel
Schools Governance and Operations Division Personnel
Secondary Public Schools Offering STEM
This Division

1. This refers to the communication from Hon. Rolando A. Uy, City Mayor. There will be a one-day Artificial Intelligence and Drone Technology Exposition on September 30, at Lim Ket kai Center Rotunda.
2. The event will showcase cutting-edge AI and drone technologies critical to the Fourth and Fifth Industrial Revolutions, highlighting their applications in education, manufacturing, agriculture, logistics, and more. It aims to equip the city's workforce with the necessary skills to meet both local and global industry demands.
3. Public and private schools that offer STEM are encouraged to pre-register at <https://bit.ly/RISEAI2024>.
4. Enclosed is the communication for reference of the complete details.
5. This Office directs immediate and wide dissemination of this Memorandum.

ROY ANGELO E. GAZO
Schools Division Superintendent

**RE: INVITATION TO THE RELEVANT INDUSTRY SKILLS FOR EMPLOYMENT (RISE)
ARTIFICIAL INTELLIGENCE (AI) AND DRONE TECHNOLOGY EXPOSITION**

Dear Dr. Gazo,

Warm Greetings!

As part of the City Government's Relevant Industry Skills for Employment (RISE) Scholarship Program, we are organizing a one-day **Artificial Intelligence and Drone Technology Exposition** on **September 30, 2024**, at the **Limketkai Center Rotunda**. This event will showcase cutting-edge AI and drone technologies critical to the Fourth and Fifth Industrial Revolutions, highlighting their applications in education, manufacturing, agriculture, logistics, and more. It aims to equip the city's workforce with the necessary skills to meet both local and global industry demands.

We believe that Senior High School (SHS)-Science, Engineering, Technology and Mathematics Strand (STEM)-Grade 12 students in the city would greatly benefit from this expo. Exposure to these technologies will expand their knowledge and inspire them to pursue degrees or careers in high-demand fields shaped by AI, automation, and smart technologies. These students are the future leaders in STEM, and this event will be key in advancing the city's technological growth and competitiveness.

We kindly request your office to facilitate the participation of **SHS-STEM-Grade 12 students** from various schools in the division. Each school will be assigned a time slot to ensure students get hands-on experience with featured technologies. To assist in planning, we further request that STEM coordinators **Pre-Register** their students by **September 16, 2024**, via <https://bit.ly/RISEAI2024>.

Also, we understand that you will be celebrating World Teachers Day on the same day at the Atrium, we invite you to swing by and experience the technologies yourself during the break or after your event.

We appreciate your continued support and look forward to the active participation of your students in this trailblazing event. For more information or assistance, kindly contact Ms. Jonnah at 09533845834 or send us an email at cdocityscholarshipsoffice@gmail.com.

Sincerely,

ROLANDO A. UY
City Mayor
