Regional ALS Focal

Dear Supt Gazo:

Greetings!

UNICEF, in partnership with the Department of Education and Department of Health, is implementing the **Comprehensive Sexuality Education – Adolescent Reproductive Health Convergence Program for Alternative Learning System (CSE-ARH-ALS)** which aims to enhance the capacity of DepEd in delivering a contextualized CSE through the Alternative Learning System (ALS). As you may know, one component of this project involves developing a quality-assured **Teaching and Learning Resource Package (TLRP)** on Comprehensive Sexuality Education - Adolescent Reproductive Health (CSE-ARH) for ALS. We recently concluded a workshop from May 6-10, 2024, in partnership with the **DepEd Bureau of Alternative Education (DepEd BAE)**, to review the revised contextualized TLRP. This workshop ensured the readiness of the draft TLRP for field validation, with participation from writers, language and content editors, layout artists, and illustrators from the DepEd regional offices. We have likewise subjected the first set of TLRPs to field validation last May 23-24, with support from the Cagayan De Oro SDO.

In line with this, we would like to request your office's participation in the field validation stage of the remaining five TLRPs, scheduled on September 23-24, 2024. Specifically, we seek your assistance with the following requirements:

**For September 23, 2024:**

- **Learner Participation and Teacher Assistance:** We request the participation of a total of 15 ALS learners coming from different ALS program levels (Elementary, Junior High School, and Senior High School). These learners will validate the appropriateness of the learning activity sheets for their respective levels. An ALS teacher will be needed to assist and guide the learners throughout the validation process.
- **Teacher Validators:** We request the participation of 5 to 10 ALS teachers to serve as validators of the five Session Guides.

**For September 24, 2024:**

- **Demonstration Team:** We request that two ALS teachers be identified who will be partnered with ISDN members to form a demonstration team. Each ALS teacher will collaborate with an ISDN member to deliver the selected CSE-ARH learning competency.

**Community Learning Center:** Two community learning centers (CLCs) will be the venues for the convergence approach delivery (demo teaching). These CLCs should have learners from Elementary, Junior High School, and/or Senior High School levels.

For complete details of the activity, please refer to **Annex A: Indicative Program of Activities**.

Should you have any inquiries or concerns, please do not hesitate to contact **Ms. Alyana Karla P. Raymundo**, CSE-ARH TLRP Quality Assurance, via mobile at **(+63) 968.888.3361** or email at [alyanakarla1104@gmail.com](mailto:alyanakarla1104@gmail.com).

Thank you for your support and cooperation.

Sincerely,
