Division of Cagayan de Oro City

Dear SDS Gazo:

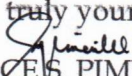

The Bachelor of Technology and Livelihood Education of the University Science and Technology of Southern Philippines (USTP) is privileged to have partnered with Cagayan de Oro City division in providing experiential learning to our pre-service teachers through **Field Study Courses**.

A total of 205 **Field Study Students [FSS]** who are equipped with in-depth knowledge in teaching pedagogy and classroom management as required in their respective programs, are now ready to be deployed in the actual learning scenario through observation and teaching assistantship. With this, we would like to request your good office to allow our Field Study Students [FSS] to have their Field Study observation and teaching assistantship to identified schools in Cagayan de Oro City division.

Attached herewith is the Approved Memorandum of Agreement [MOA] for your reference, as well as the list of Field Study Students assigned in various schools.

Thank you very much and more power.

Very truly yours,

GRACE S. PIMENTEL, PhD

Field Study

Observation of Teaching and Learning in Actual and Teaching Assistantship

A. Field Study 1 and 2 Guidelines

In the context of teacher education, Field Study 1 and 2 are viewed as experiential learning courses. Their goal is to provide Field Study Students preparing to become teachers, with real-world and practical classroom experience. Additionally, it is intended to close the knowledge gap between classroom theory and real-world experience by offering Field Study Students crucial training and insights that help them get ready for the realities of the teaching profession. Field Study Students main objectives are to learn about various teaching philosophies, gain insight into the realities of teaching, and observe how teachers manage their classrooms.

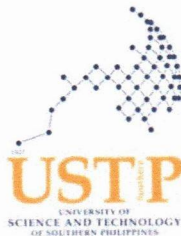

The following outcomes are anticipated of our Field Study Students enrolled in FS-1 and FS-2 experiential learning courses:

- ✓ Observing the roles that teachers and students play in the classroom.
- ✓ Analyzing how lesson exemplars being implemented.
- ✓ Documenting best practices and challenges observed during the lessons.
- ✓ Assisting the cooperating teacher with classroom tasks such as preparing materials, facilitating group work, and possibly leading small segments of lessons..
- ✓ Participating in educational activities to comprehend student conduct, teaching methods, and evaluation procedures.
- ✓ Creating and presenting mini-lessons or engaging in cooperative learning exercises.
- ✓ Receiving feedback from the cooperating teacher and reflecting on their teaching experiences.

The following as agreed by the parties hereto shall be observed:
