Dear **SDS Gazo**,

Warm greetings from Opportunity 2.0!

Opportunity 2.0, a program of the United States Agency for International Development (USAID) and implemented by the Education Development Center (EDC), supports initiatives like skills-based training programs that improve the education, employment, and livelihood outcomes of 180,000 out-of-school youth (OSY) across 15 Philippine cities until 2025.

As part of our commitment to fostering youth participation among OSY in Cagayan de Oro City, we plan to conduct youth engagement and volunteering activities that empower them to create positive change and advocate for social good.

The Youth Development Team of Cagayan de Oro City and the Kagay-anon Youth Network Alliance (KAYA NA) collaborated on a youth engagement project focusing on environmental conservation through an **Environmental Education Campaign**. This activity is part of Project MARKA (organized by KAYA NA), which aims to educate youth about environmental issues and promote conservation.

We kindly request your support and approval to conduct the activity on October 2, 2024, Wednesday, at selected ALS Learning Centers. We hope to engage around 100 learners by inviting them to participate in this initiative. The pre-identified ALS Learning Centers are listed below:

Date	Learning Centers	Target Number of Participants
October 2, 2024 (Wednesday) 8:00 am to 11:00 am	Bulua Central School	50 learners
October 2, 2024 (Wednesday) 1:00 pm to 4:00 pm	West City Central School	50 learners

We are hopeful for your positive response and support for this activity. We have attached the activity flow for your reference.

Should you have any questions or clarifications, **please do not hesitate to contact our Youth Development Officer, Christian Val Daquipil, at 0917 105 6807 or cdaquipil@edc.org.**

Thank you very much.

Sincerely,

KOTIE R. BAX
