Dear **Doctor Potane**:

Greetings from DICT Region 10!

We are pleased to inform you about the upcoming launch of *Localized Accessible Knowledge and Inclusive Platform or LAKIP* – a collaborative initiative between **DICT 10, Coursebank,** and the **Local Government Unit of Cagayan de Oro City - Education Board.**

LAKIP is a Learning Management System (LMS) offering courses translated into Bisaya, ensuring accessibility for diverse linguistic backgrounds, especially Cebuano speakers. By incorporating localized translations, **LAKIP** promotes equal educational opportunities and fosters inclusivity by removing language barriers that may hinder individuals' access to knowledge. The platform's name reflects its commitment to delivering accessible, culturally relevant, and linguistically diverse educational resources to a wider audience.

As our partner in this endeavor, we are reaching out in the hope that you'll join us at the launch. We would also like to request if you may extend this invitation to the teachers involved in the translation of Project LAKIP:

Cagayan de Oro City National High School - Junior High

- 2) Farrah Alvie F. Ablanque
- 3) Hannah Lyn Jean L. Flores
- 4) Dr. Hasmina Salic

- 2) Hermie Lumantas-Amper

Camaman-an Elementary School:

We're confident that your presence will add significant value to our collective efforts towards a digitally empowered Philippines. The event is scheduled to take place in **Cagayan de Oro City** on **February 13, 2024, at 10:00 AM.** Details regarding the specific venue will be provided in a separate letter once finalized.

Kindly inform us of your availability and any logistical requirements for your participation by **February 7, 2024**. Should you require further information, please do not hesitate to contact us through **Mr. Jaymark Dumio**, our LAKIP Project Focal, via email at jaymark.dumio@dict.gov.ph or mobile at 0916 367 0209.
