Dear Director Bayocot,

DOST PSTO Misamis Oriental, in collaboration with the **Office of the Congressional Representative of Cagayan de Oro City - District 2, Congressman Rufus B. Rodriguez**, is eager to explore and engage in the **21st Century Learning Environment Model (21st CLEM) initiative**. We initiated a virtual meeting with the **Department of Science and Technology - Science Education Institute (DOST-SEI)** last **December 13, 2023**, we delved into the overview and requirements of the 21st CLEM initiative.

Congressman Rodriguez has identified two (2) beneficiary schools in the 2nd District of Cagayan de Oro City, **Palalan Integrated School in Tablon and Balubal National High School**.

To enhance our project proposal, we would like to **organize a coordination meeting with you or through your designated staff, the office of Cong. Rufus Rodriguez and school Principals of the two identified schools on February 6, 2024 @ 8:30 AM (online)**. This meeting aims to gather inputs collectively for the 21st CLEM proposal. On the same day, we can conduct an in-person meeting with the school principals of Palalan Integrated School and Balubal National High School and an on-site inspection of the schools.

For any inquiries, please feel free to reach out to **Ms. Julie Ann C. Badilla** at **0917-857-9331**. We eagerly await your affirmative response and the chance to collaborate to foster a dynamic and innovative learning environment.

Thank you for your support of this S & T endeavor.

Very truly yours,

Engr. Ruel Vincent C. Banal
OIC PSTD, PSTO Misamis Oriental
