No. 819 s. 2024

**SUBMISSION OF COMPLETED BERF RESEARCH FOR PARTICIPATION IN THE
DIVISION RESEARCH CONGRESS 2024**

TO: All Teachers and Researchers with Completed BERF Research
This Division

1. In line with the upcoming Division Research Congress 2024, we are calling on all teachers and researchers within the Division of Cagayan de Oro who have **completed BERF-funded research** that has not yet been presented at the division level to join the event. As BERF-funded papers are **automatic division qualifiers**, this is your chance to present your work to a broader audience and contribute to the growing body of research in our division.
2. Researchers who are interested in joining the Congress are requested to submit the softcopy of their completed research papers through the designated repository link: <https://bit.ly/BERFDivisionResearchCongress2024>.
3. The deadline for submission of the soft copy of your completed research paper is October 23, 2024.
4. Please note that the **top 5 papers** will be selected for presentation during the Congress. One of the key considerations in the selection process is ensuring representation from different research categories to foster diversity in the research discussions.
5. A follow-up memorandum will be posted to announce the top 5 presenters who will be selected for the event.
6. Additionally, the selected presenters are required to **print 3 copies** of their manuscript and submit them to the assigned facilitator in the category to which their paper is assigned during the actual event.
7. We look forward to receiving your submissions and encourage you to take this opportunity to present your research to the division community. For further
