Dear Dr. Gazo,

Greetings!

I extend my sincere gratitude for the support and presence of your selected school heads and NSTP focal persons through the committed leadership of Doc Jean and Doc Phoebe. They were able to grace us with their valuable time and presence during our orientation for this school year's XU NSTP-DEP ED Partnership, held on October 11, 2028, at AVR 8, Xavier University Main Campus. Our aim is to enhance our solution-based collaborations and look forward to engaging visits and productive sessions with your learners.

To further our literacy program, which focuses on reading remediation, we will commence training sessions for our NSTP students. In this regard, we warmly invite your reading coordinators and focal persons to our class to share valuable insights on your reading remediation tool and to orient our NSTP students. This will enable them to focus effectively during their tutorials with your identified learners.

Moreover, we are seeking approval from your good office to issue a memorandum for the resource persons' time in our NSTP classes. Attached to this letter is the list of schools and schedule for the learning session, where we request the presence of the resource person from the reading coordinator and/or focal persons.

Thank you for your continued support.

Sincerely,

MA. KHARMEL B. PIMENTEL
