Dr. Roy Angelo E. Gazo
Schools Division Superintendent
Department of Education, Cagayan de Oro Division
Cagayan de Oro City

THROUGH:

Dr. Derrold Aves
Human Resource Training and Development Officer
Department of Education, Cagayan de Oro Division

Dear Dr. Gazo,

We are deeply grateful for the partnership we share with the Schools Division Office of Cagayan de Oro. It is both an honor and privilege to collaborate with your team in advancing the professional development of our educators and enhancing learning outcomes across our public school communities.

We also wish to extend our thanks for the opportunity to discuss the *Katig* Transformative Teacher Training series with Dr. Derrold Aves on November 6. We greatly appreciate the commitment and support extended by the Department of Education CDO Division in building meaningful opportunities for our teachers.

In alignment with our shared vision, we would like to formally propose the implementation of the *Katig* training topic entitled **The Purpose-Driven Educator Workshop** for DepEd CDO teachers. As discussed, **we intend to conduct these workshops over 2 or 3 weekends, scheduled for December 14-15, 2024; January 11-12; and/or January 18-19, 2025.** During these weekends, we will have a team of four (4) facilitators who will simultaneously implement one half-day workshop each (twice a day), with each workshop session designed to accommodate up to 50-60 teachers. **This approach would enable us to extend valuable professional development training for up to 1,800 to 2,800 educators.**

We are pleased to offer these sessions without any honorarium requirement for our facilitators. However, to ensure the success and smooth operation of the workshops, we respectfully request support from the Schools Division Office and the Local Government Unit of Cagayan de Oro, specifically for the following:

- Securing appropriate training venues
- Providing necessary training materials (including printing of handouts)
- Supplying meals and/or snacks for participants
- Providing intercity transportation for the TFP Training Team

- Considering the provision of service credits for teachers participating in the workshop, in recognition of their commitment to professional development and ongoing improvement in educational practice

Your guidance and support are invaluable as we work toward empowering our educators, and we look forward to any feedback you may have regarding our proposed collaboration. We are hopeful for your continued support in this initiative to enhance teacher capacity and, ultimately, enrich the educational experiences of our students in Cagayan de Oro.

Thank you very much for considering this proposal and for your enduring commitment to educational excellence. Please feel free to reach out through my mobile number 0917 892 3145 or email me via angel.ramos@teachforthephilippines.org should there be any clarifications or further information required.
