Dear Sir,

Warm greetings from Beyond Limits Learning and Therapy Services, Inc.!

We are thrilled to announce an important initiative that advances our shared vision for a more inclusive and compassionate education system—one that recognizes and values the uniqueness of every child.

On **August 23–24, 2025**, Beyond Limits Learning and Therapy Services, Inc., in partnership with key education stakeholders, will host a **2-day Inclusive Education Workshop and In-House Training in Cagayan de Oro City**. This event will bring together **SPED teachers, mainstream educators, school administrators, and allied professionals** to learn actionable strategies and best practices that promote inclusive classrooms.

What makes this event even more impactful is the participation of **nationally respected guest speakers and leaders in inclusive education**, including:

- **Ms. Kimberly De Alban** – a tireless advocate, mother, and educator who has inspired a nationwide movement for children with disabilities;
- **Ms. Ana M. Quijano** – a respected school leader and speaker known for her expertise in implementing inclusive models across learning institutions;
- **Mr. Alphonsus Castro De Alban** – an engineer and human rights advocate whose legal and policy insights ground our shared mission in the framework of Republic Act 11650.

Together, they form the core team and have been a pioneering group dedicated to equipping schools and communities with the tools to create learning environments where no child is excluded.

This event is especially timely as we align our local efforts with the recently released **Implementing Rules and Regulations (IRR) of RA 11650**—a crucial legal foundation for inclusive education in the Philippines.

In line with our shared goal of strengthening inclusive practices across schools, we respectfully seek your **endorsement of this training** and your kind encouragement for educators and school heads in your Division to join this professional development opportunity.

Should you wish to discuss further details or require additional information, please do not hesitate to reach out to us at **beyondlimitsopol@gmail.com** or **0917-714-5491**.

We would be deeply honored to collaborate with your office in this meaningful endeavor.

Thank you very much for your time and consideration, as well as for your continued commitment to ensuring that no learner is left behind.

With sincere appreciation,
