NOVEMBER 19, 2025

DR. ROY ANGELO E. GAZO

Schools Division Superintendent
Department of Education
Vice-chairperson, Local School Board
Cagayan de Oro City

Dear Dr. Gazo,

Greetings of peace and good health!

This letter follows up on our meeting held today, November 19, 2025, regarding the urgent need to schedule preparation activities for our learners and their parents.

As discussed, it is imperative to immediately schedule a series of orientation sessions for learner parents to ensure their full compliance and understanding of the YAKAP implementation. These sessions will focus on providing PhilHealth Empanelment assistance, guiding parents through the necessary steps for the process, and delivering Information, Education, and Communication (IEC) for YAKAP availment, which provides comprehensive information prior to the YAKAP rollout in the school.

We propose that the schedule for these cluster or per-school orientations, or those conducted through the Parents-Teachers-Association, be finalized before the month ends to ensure timely execution. We are prepared to mobilize our teams and request your office's support in coordinating venues and logistics with the respective school heads. We request your guidance on the proposed scheduling mechanism.

We look forward to your favorable response and the opportunity to move forward with this collaborative effort.

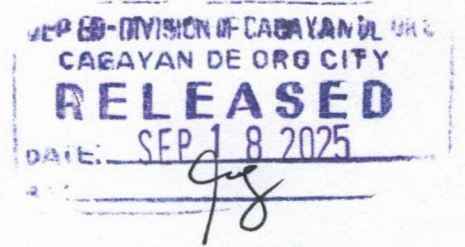

Thank you for your invaluable support.

Sincerely,
