ROY ANGELO E. GAZO

Schools Division Superintendent

Department of Education - Division of Cagayan de Oro

Fr. William Masterson Ave. Upper Balulang, Cagayan de Oro City

Dear **Superintendent Angelo**:

Greetings from the Department of Information and Communications Technology – 10!

The Presidential Proclamation No. 417 declares every second Tuesday of February every year as "Safer Internet Day for Children Philippines" which is celebrated as a call to action to promote better and safer internet use for everyone. It was first introduced in 2004 in various countries in Europe and is currently being observed by more than 100 countries in the world. The Philippines is celebrating this year's theme with "Digital Bayanihan Para sa Kabataang Ligtas at Protektado Online".

To further this mission, we are hosting a virtual celebration on **February 13, 2025**, focused on cybersecurity awareness and digital responsibility. We would be honored to have your school's participation.

To ensure the smooth implementation of the webinar, we kindly request the designation of a school coordinator or facilitator who can assist in managing the process. Since the program will be conducted virtually, we will need support in broadcasting the live stream at your school. Our team will give further instructions to your assigned coordinator to enable your students to participate as a group audience. This can be arranged in a classroom or auditorium equipped with a sound system, projector, web camera (if available), and a stable Internet connection.

We believe that with your partnership, we can make a significant impact on creating a safer digital space for young people. For any questions or additional information, please feel free to reach out to our Planning Assistant, **Ms. Norhaifah M. Amoran**, via email norhaifa.amoran@dict.gov.ph or mobile number +639941764884.

We are excited to collaborate with you and look forward to your school's involvement in this important event.

Sincerely yours,
