March 3, 2025

Roy Angelo E. Gazo
School Division Superintendent
Division of Cagayan De Oro City

Dear Mr. Gazo,

Greetings of good health and peace!

Drug use can be dangerous for the health of anyone. In today's generation, apparently, these substances can be easily sold in local markets and in other online platforms. As mentioned in Section 76 and 77 of RA 9165 or the Dangerous Drugs Act of 2002, government and private agencies need to educate the public of its bad effects and the ways to prevent addiction.

In this regard, the Nursing Service Section of the DOH – Treatment and Rehabilitation Center - CDO would like to conduct a drug-reduction lecture activity to the working adults ALS students. Our goal is to educate them regarding the disadvantages of taking drugs especially in these times.

It has always been the institution's advocacy to fight against substance abuse; and such lectures are small steps but impactful ways to guide and keep our students to the right direction in life.

Should you confirm or have any questions, please feel free to contact Ms. Bernadeth B. Mercado to her number, 0921-457-7288.

Thank you for the time and we fervently hope for your consideration.

Respectfully yours,

ERWIN ROMMEL LINGAD, RN, MN
Nurse III
