In the spirit of camaraderie, endurance, and giving back, runners from various communities and organizations will come together for the Ultra Trail Run for the Benefit of Tanguily School and Its Learners. This event is more than just a test of physical strength and determination—it is a mission to create lasting change for the young learners of Tanguily School.

Tanguily School, nestled in a remote area at Brgy. Dansolihon, faces numerous challenges in providing quality education due to limited resources, inadequate facilities, and the daily struggles of its learners. Many students walk long distances just to attend classes, while teachers make tireless efforts to inspire hope despite the difficulties. Through this trail run, we aim to mobilize support and raise funds to improve their learning environment by providing school supplies, classroom essentials, and other much-needed resources.

The first group to finish of the 5k Category shall receive a plaque and a cash prize. Join us as we take on this challenge- because every step counts, and every child deserves a chance at a better future!
