Cagayan de Oro City

Sir:

Greetings of Peace and Prosperity!

In consonance with the ***Joint CHed and DepEd Memorandum Order No. 1, series of 2021*** or the ***Policies and Guidelines on the Deployment of Pre-Service Teachers for Field Study and Teaching Internship***, Teacher Education Institutions and their respective Cooperating Schools are expected to conduct a Collaborative Classroom-based Action Research which will pave way for the production of evidence-based teaching materials, methods, and practices, thereby improving the quality of education. This will provide avenue for a strong research partnership between the academe (TEI) and industry (DepEd) and allow students to develop and use their knowledge, values, and skills in planning, designing, and implementing academic research.

To formalize the said partnership, the Xavier University – Ateneo de Cagayan entered into an agreement with the Department of Education – Cagayan de Oro City Division through a memorandum signed by the XU President, Fr. Mars P. Tan, SJ, and DepEd-CDO Schools Division Superintendent, Dr. Roy Angelo E. Gazo.

For the past few weeks, the action research groups have conducted the implementation (pilot test, pretest, administration of the intervention, post-test, interview, FGD, among others) at the respective classes of their Cooperating Teachers in the selected Partner Schools. The student researchers are currently preparing their final manuscript and will soon present their respective outputs to a panel of experts.

With the crucial role played by the Cooperating Teachers and School Heads as members of the research group as stipulated in the MOA and Terms of Reference, **we highly encourage them to join the XUSOE-DepEd's Action Research Final Presentation**. This will be conducted online via Zoom and the meeting details will be sent by the students to their respective Cooperating Teachers and Principals later. Please see the attached schedules.
