Dear SDS Gazo,

Warm greetings from Teach for the Philippines! We hope this letter finds you well.

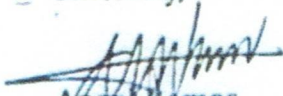

We extend our sincere gratitude to you and your team at the Schools Division Office of Cagayan de Oro for the privilege of your long standing partnership with our organization. Your support has been instrumental in the positive regard we have achieved for the **The Purpose-Driven Educator workshop**, under the **Katig Transformative Teacher Training Series**, last December 2024.

To build upon the momentum we have generated, we would like to extend the same highly-regarded workshop to more Cagayan de Oro DepEd teachers through multiple simultaneous workshop sessions on **March 15, 22, and 29, 2025**. During these ~~saturdays~~ we will have a team composed of two (2) Facilitators and two (2) Support Staff, and each pair will implement one workshop session in the morning and in the afternoon (total of four workshop sessions in one day). With each workshop session designed to accommodate up to 50 teacher attendees, we hope to be able to extend this valuable professional development opportunity for **up to 720 public school teachers** in Cagayan de Oro City. In case of interest, we have also attached a copy of the post-workshop results of our sessions last December 2024 for your consideration.

Should you have any questions, please feel free to give me a call through my mobile number 0917 892 3145 or email our team via [katig.team@teachforthephilippines.org](mailto:katig.team@teachforthephilippines.org).

Thank you for your time and consideration. We look forward to your positive response and continued partnership in promoting quality training for our educators and quality education for our students.

Sincerely,

  
Angel Ramos
