Dear Sir Gazo:

Greetings!

Pilipinas Shell Foundation, Inc. as a social arm of the Shell Pilipinas Corporation, is a pioneer in pursuing best practices that respond to the needs of the Shell Worksites and community hosts. It has been managing social development programmes to help uplift the lives of the disadvantaged sectors from education to skills development; health, sanitation, and safety; livelihood and enterprise development; environmental stewardship; access to energy; and leadership enhancement and attitude development.

One of its programs is the Biahero Program. It is an essential initiative designed to protect lives, reduce traffic incidents, and improve overall road safety standards. By involving the community, raising awareness, and collaborating with traffic authorities, the program seeks to create a safer environment for all road users. Biahero Program aims to significantly reduce road accidents and fatalities through a combination of education, awareness campaigns, basic infrastructure improvements, and community engagement. The program will focus on pedestrian safety, and advocating for stronger enforcement of traffic laws.

In this light, we are pleased to share the successful completion of the Road Safety Training conducted in March 2025. The training was actively participated in by sikad drivers and operators, Barangay Peacekeeping Action Teams (BPAT), teachers, and students from Barangays Puntod and Macabalan.

As a next step in our ongoing community engagement under the Biahero Program, we are now conducting a Consultation Meeting on July 21, 2025, from 2:00-4:00 PM at Brgy. Puntod Executive Hall, Puntod, Cagayan de Oro City. It aims to:

- Determine the current needs of the school communities,
- Identify critical areas that require immediate attention, and
- Discuss appropriate interventions that will enhance road safety and community well-being.

In this regard, may we ask your permission to allow the principal or one (1) school head representative from the following schools, to attend the Consultation Meeting

- a) Macabalan Elementary School
- b) Macabalan National High School
- c) North City Central School
- d) Puntod National High School
- e) St. John Elementary School

Their insights and collaboration are essential as we work together to build safer and more inclusive communities.

Thank you for your continued support. We look forward to your valuable participation.

Best regards,

MARIA ELVY R. DOMINICATA
