Dear Sir Roy:

Warm greetings from the City College of Cagayan de Oro!

In line with our commitment to inclusive education, we are pleased to propose a **Co-Design Workshop for the ALS Bridging Academy** between the City College of Cagayan de Oro and the Alternative Learning System (ALS) Cagayan de Oro Division tentatively to be held on **July 18, 2025 (Friday)** at the **DepEd CDO Division Office**.

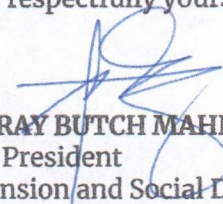

The objective of the workshop is to collaboratively design the ALS Bridging Academy, a preparatory program focused on English, Science and Mathematics, aligned with the CHED General Education curriculum, and responsive to the needs of ALS Senior High School completers.

We hope to request the participation of six ALS teachers, two for each subject area, to share insights, co-create solutions, and strengthen this institutional collaboration.

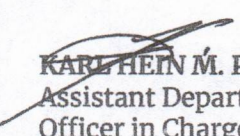

Should this proposal meet your support, we look forward to formalizing coordination with your office.

Thank you very much for your continued support of learner-centered innovations. We are confident that this partnership will open meaningful college pathways for ALS graduates in our city.

Very respectfully yours,
