DR. ROY ANGELO E. GAZO
Schools Division Superintendent
Office of the Superintendent
Department of Education
Cagayan de Oro City

Dear Dr. Gazo,

Warm Greetings from DOST Misamis Oriental!

In line with the ongoing collaboration between the Department of Science and Technology – Region X (DOST-X), the Department of Education – Region X, LGU Cagayan de Oro, and WELA School Systems, we respectfully request your approval to allow selected teachers from **PN Roa Senior High School** and **Puntod National High School** to participate in the upcoming **WELA Ideation Workshop** scheduled on **July 24, 2025**, within Cagayan de Oro City.

The activity, titled *“Design Thinking for the Development of a Public School Management System Interface utilizing the WELA School Systems Technology”*, aims to improve the user interface and functionality of the WELA School Management System based on the actual needs and feedback of public school teachers.

The participation of teachers from the pilot schools—PN Roa NHS and Puntod NHS—is vital in gathering insights to improve the system's usability and ensure its alignment with DepEd's operational requirements.

The one-day workshop is designed to:

- Utilize the Design Thinking approach to co-create an improved system interface tailored for public school teachers;
- Develop an R&D proposal to support further system development and implementation;
- Contribute to the digital transformation initiatives in the education sector.

The proposed program of activity is attached for your reference.

We look forward to your favorable consideration to enable teacher representatives from the mentioned schools to actively participate in this important initiative. Should you require further details, please feel free to contact us at 09778544472 or email: rvcbanal@region10.dost.gov.ph.

Thank you very much for your continued support and partnership in promoting science, technology, and innovation in the education sector.

Very truly yours,

ENGR. RUEL VINCENT C. BANAL
Officer-in-Charge
