Sir:

Greetings!

This is an official request for permit to let our pre-service teachers perform their mandated Field Study 1 and 2 within the schools under the Division of Cagayan de Oro City.

As a required part of our academic curriculum, our BEED and BSED major in English students have to undergo 120 hours of field observation & assistantship from **(September 15 – October 8, 2025)**. This important activity enables them to implement their pedagogic know-how, acquire hands-on skills, and have firsthand experience on classroom dynamics and school operation.

We have found two schools in your division that we believe can give our students an excellent learning experience:

- **Consolacion Elementary School** for our BEED student.
- **Angeles Sisters National High School** for our BSED major in English student.

We are sure our students will maintain the highest level of professionalism and will be careful to respect all school regulations and faculty. They are dedicated to serving the learning community positively and will work toward making this experience positive to all concerned.

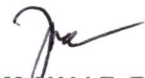

Your endorsement and support would be valued greatly, as it is crucial for the academic and professional growth of our future teachers.

Thank you for your positive consideration of this request.

Very truly yours,

RHIZA R. BENTRAN, MaED
PST Supervisor
