Sir:

Greetings!

Pilipinas Shell Foundation, Inc. as a social arm of the Shell Pilipinas Corporation, is a pioneer in pursuing best practices that respond to the needs of the Shell Worksites and community hosts. It has been managing social development programmes to help uplift the lives of the disadvantaged sectors from education to skills development; health, sanitation, and safety; livelihood and enterprise development; environmental stewardship; access to energy; and leadership enhancement and attitude development.

One of its programs is the Biyahero Program. It is an essential initiative designed to protect lives, reduce traffic incidents, and improve overall road safety standards. By involving the community, raising awareness, and collaborating with traffic authorities, the program seeks to create a safer environment for all road users. Biyahero Program aims to significantly reduce road accidents and fatalities through a combination of education, awareness campaigns, basic infrastructure improvements, and community engagement. The program will focus on pedestrian safety, and advocating for stronger enforcement of traffic laws.

As the next step in our ongoing community engagement under the Bihayero Program, we are holding another round of discussions on September 15, 2025, from 9:00 to 10:30 AM at Puntod National High School. It aims to:

- Present and discuss the Schools' Road Safety Action Plans with the Education Committee Head of the Barangay Puntod Council

In this regard, may we ask your permission to allow the principal or one (1) school head representative/DRRM focal from the following schools, to attend the Consultation Meeting:

- a. North City Central School
- b. Puntod National High School
- c. St. John Elementary School

Additionally, we would like to invite Mr. Ryan Q. Blanco, DRRM Focal Person, to be present and support the schools' plans during the upcoming consultation.

Their insights and collaboration are essential as we work together to build safer school communities.

Thank you for your continued support. We look forward to your valuable participation.

Best regards,

MARIA ELVY R. DOMINICATA
