September 24, 2025

Good day,

Greetings from ASSIST!

In line with the upcoming Master of Disaster (MOD) Culminating Ceremony on September 26, 2025 (Friday), we would like to inform you that it would not proceed as planned due to the potential hazards posed by the current weather conditions and the approaching typhoon. This decision was made with the safety and well-being of all participants and stakeholders in mind.

In light of this, the event will be rescheduled to a different date. We believe that the later date will ensure a safer and more meaningful gathering for everyone attending.

We sincerely apologize for any inconvenience this change may cause and appreciate your understanding and flexibility. Rest assured, our team remains committed to the goal of the event – to highlight the commitment of the schools and to give recognition to our key partners who made the pilot run of the MOD program in Cagayan de Oro City successful.

We sincerely hope you can join us on the rescheduled date. We believe that through this culminating activity, we can strengthen our partnership and continue to implement impactful projects for the youth, ensuring a meaningful legacy for future generations.

Should you have any concerns or require further clarification, please feel free to reach out to us.

Thank you very much.

Sincerely,

Asia Society for Social Improvement and
Sustainable Transformation
