Schools Division Superintendent
Department of Education
Division of Cagayan de Oro

Dear Mr. Gazo,

As partners in the education sector, we would like to invite your school's participation in our upcoming activity this October.

The Rotary Club of CDO East Urban will mount the **ROTARY IMPACT EXPO 2025** at the Centrio Mall Activity Center. This milestone event will be the first of its kind to be organized by any Rotary Club in Cagayan de Oro city and Rotary District 3870. It will spotlight our major programs and advocacies, particularly our efforts toward the global eradication of polio, youth programs, and the sustained delivery of impactful community service that includes basic education and literacy.

As part of our advocacy for youth development, one of the highlights of the Expo is our **Career Talks**, designed specifically for high school students who are at a critical stage of making decisions about their future. With the rapid changes in industries and the rise of new and unconventional career paths, our Career Talks will open their eyes to opportunities they may not have considered before. We aim to guide them in making informed choices, equipping them with insights on traditional professions and emerging careers that will shape the future workforce.

To complement the learning experience, we are also hosting **Mind Brawl, a Trivia Game Challenge**, a fun, fast-paced team competition that will test not only knowledge from the classroom but also general facts, pop culture, current events, and a little bit of basic information about Rotary so the young generation gets to know a bit of Rotary and what we do for the community, hoping that through this, they see an avenue of helping the community in the future as they become professionals themselves. Teams will need quick thinking, teamwork, and confidence to clinch victory. Exciting prizes await the winners: **₱5,000 for the Champion Team, ₱3,000 for Second Place, and ₱2,000 for Third Place**, along with plaques of recognition for their schools.

The **Career Talk and Trivia Challenge** will take place on **October 28, 2025, from 1:00 to 5:00 PM at the Centrio Mall Activity Center**. We would be grateful if DepEd could endorse and send **60 student participants from Grades 10 to 12** (10 students each from 6 schools of your choice). For the Trivia Challenge, each team should consist of **3 students from Junior High and 2 students from Senior High**.

May we respectfully request that your office to provide us with the list of participants with the following details:

1. School name
2. Name of Student
3. Year level of student

And the name of the accompanying teacher. You may email the list not later than October 17, 2025 to Ophelia dela Cerna at ophiecaro0801@gmail.com.

We hope to see the participating students on October 28.

Respectfully,

Stephanie Caragos
